The plaintiff's motion explains that he was moved to community custody on work detail and as of October 31, 2007, he has not worked. He asks that his deadline for paying the initial partial filing fee be extended to March of 2008.

As of October 10, 2007, the average three-month balance in the plaintiff's institutional account was \$194.80. 2. The plaintiff is given a one-month extension to pay his initial partial filing fee. The plaintiff shall pay an initial partial filing fee of \$38.96 by December 19, 2007. Absent the timely payment of this initial partial filing fee, this case may be subject to dismissal without further notice; and
3. The Clerk of the court is directed to set the following pro se case management deadline using the following text: December 19, 2007—initial filing fee payment due.
